Memorial Day Parade

This year Boys & Girls Brigade proudly joined the Neenah-Menasha Memorial Day Parade, with over 100 young Brigaders and adult volunteers participating. A heartfelt thank you to all who marched and represented the Boys & Girls Brigade with such pride and joy!

The Sweetest Place: Rebrand Launch

Our Rebrand Launch was very well attended after the parade! We want to give a special shout-out to volunteers that helped with ceiling tiles during work week and the International Trip Students for helping us get the building ready.

Camp Scholarships

Each summer, Boys & Girls Brigade provides over \$30,000 in scholarships to area youth so they may experience the magic of Camp Onaway. As anyone who has been lucky enough to spend time on our beautiful island getaway will tell you- it truly is **A Special Place to Be**. As one past camper shared after attending the Leadership Training Conference Camp, "LTC had a positive impact on not only my leadership skills, but my entire life as well. After my first year at LTC, I became captain for two sports, the president of National Honor Society, and a student ambassador at my school."

THIS is the difference you can make in the lives of area youth with your support. Click the button below to donate today!
